

JEM manufactures custom engineered manifold assemblies and components.

We also distribute these fine product lines.

MOBILE & INDUSTRIAL FLUID POWER PRODUCTS

Custom Designed
Manifold Assemblies

Hydraulic Cartridge Valves
and Manifolds

Hydraulic Pumps, Motors,
Electronics, and Power Units

Hydraulic Pumps, Motors,
Power Pack, Flow Dividers

Proportional Directional
Spool & Pressure Valves

Single & Multi-Axis Controllers
Rotary & Foot Controllers

Fluid Power
Valves & Filters

Quick Disconnects
& Hydraulic Valves

Monoblock & Stackable
Hydraulic Control Valves

Hydraulic Filtration Products

Hydraulic & Pneumatic Valves

Intelligent Electronic Controls
For Mobile Equipment

Vonberg Valve, Inc.
Hydraulic Valves

Wireless & Electronic
Machine Controls

Heat Exchangers & Accumulators

Delaware Manufacturing
Industries Corporation

INDUSTRIAL INSTRUMENTATION PRODUCTS

Heavy Duty Process Solenoid Valves

Check Valves, Relief Valves,
Solenoid Valves & Regulators

Instrumentation
Valves & Fittings

United Filtration Systems
Filters, Separators, Adsorbers

Skinner Valve/Gold Ring
2, 3, and 4 Way Solenoid Valves

SMC Corporation
Pneumatic Automation Products

Precision Pressure Regulators

Switches, Transmitters,
Valves & Regulators

Industrial Pumps & Flow Products

Complete engineering and manufacturing capabilities-Fast, friendly service.
